DATA PROCESSING ADDENDUM

1. Scope and Definitions

Personal data means any information relating to an identified or identifiable natural person.

The controller is the entity that determines the purposes of processing.

2. Security Measures

The processor shall implement appropriate technical and organisational measures.
The processor shall notify the controller of any personal data breach within 48 hours.

3. International Transfers

Personal data shall not be transferred outside the European Economic Area.
Transfers outside the European Economic Area require appropriate safeguards.
